

PEACE NEPAL TREKS

... guiding you through your journey of a lifetime.

The Royal Trek

OVERVIEW

The Royal Trek is known by this name because Britain's Prince Charles and his entourage of 90 trekkers walked along this route in the early eighties. The short trek starts from Kalikasthan and passes through beautiful hamlets before we arrive in the magnificent Begnas lake. Our trek ends in Begnas Bazaar and then we drive back to Kathmandu.

The Royal Trek is suitable for beginners seeking some trekking experience and also for people who do not have enough time to go on longer treks. This trek is an easy uphill and downhill walk along beautiful locations and the maximum height we reach is only 1,260m. This means that we do not have to worry about the altitude and acclimatization.
